

HELP US MAKE AN IMPACT.

Just Grace is an **non-profit organisation** based in **South Africa** working to equip vulnerable youth to live out their **full potential**. We create meaningful and sustainable change through **evidence-based** programmes that have a demonstrated history of success.

We work in a community in South Africa that has **devastating socioeconomic realities**, including:

- 53% of youth are unemployed.
- 1 in 3 children experience physical abuse.
- 71.6% of households earn between \$0-\$217 per month.

QHUBEKA YOUTH **DEVELOPMENT** PROGRAMME

An intensive and holistic youth support programme spanning over multiple years, beginning in grade 9 and continuing into further education and employment. The programme includes academic support, life skills, computer training and literacy.

PHUHLISA SCHOOL **STRENGTHENING** PROGRAMME

Supports child wellbeing and educational attainment at five high schools through training and support for at-risk learners through home visits, counselling, career guidance, and life skills.

PHAKAMA YOUTH **ACTIVATION** PROGRAMME

Reigniting a passion in unemployed and disengaged youth by offering training in personal and professional development, computer skills, and technical skills (accounting, barista, or sewing skills).
